**Special Insurance
For Special Needs**

HERE ARE THE BENEFITS

DEATH BENEFIT - If, as a result of injury, an insured dies within one year from the date of the accident causing the injury, we will pay the death benefit less any specific loss benefit paid because of the same accident. The one year limit does not apply in a PA or WV contract.

SPECIFIC LOSS BENEFIT - If, as a result of injury, an insured suffers a specific loss within one year from the date of the accident causing the injury, we will pay:

75% of the face amount for loss of:

Each Arm
Each Leg

50% of the face amount for loss of:

Each Hand or Foot
Sight of Each Eye
Speech

25% of the face amount for loss of:

Hearing of Each Ear
Thumb and Index Finger
of the Same Hand

The total payment for all of the specific losses of an insured because of any one accident will not be more than the face amount. No specific loss benefit will be paid if the death benefit applies. The loss of the thumb and index finger of the same hand benefit will not be paid if the loss of the hand or arm benefit applies. The loss of the hand or foot benefit will not be paid if the loss of the arm or leg benefit applies.

MEDICAL EXPENSE BENEFIT - If, as a result of injury or sickness, an insured incurs covered expenses starting within 90 days from the date of the accident causing the injury or the date sickness (if applicable) begins, we will pay, less the deductible (if any) shown in the application and not to exceed the overall maximum benefit amount, all covered expenses incurred within 3 years from such dates.

Covered expenses mean the reasonable and customary charges for local ("local" not applicable in a CT contract) professional ambulance service to or from a hospital and/or surgical center as well as the following reasonable and customary charges for treatment, services, and supplies provided or prescribed by a doctor: (1) hospital or surgical center care; (2) medical treatment; (3) nursing care provided by a licensed nurse; (4) X-rays and lab exams; (5) prescription drugs and therapeutic services and supplies; (6) dental treatment as a result of injury to sound, natural teeth (natural teeth in SC); and (7) the following licensed home health care agency services and supplies provided instead of an otherwise required hospital or skilled nursing home confinement: (a) physical, occupational, respiratory, and speech therapy, (b) the services of a home health aide, and (c) medical supplies.

If excess medical has been elected, we will not pay benefits for, nor can this plan's deductible (if any) be satisfied by, covered expenses to the extent that they are collectible under certain other policies and/or health plans as stated in the policy.

(Coverage is provided under policy form No.: GR-9951-1 if the coverage is renewable and sickness medical is included; **GR-9951-2** if the coverage is renewable and sickness medical is not included; **GR-9951-3** if the coverage is short-term and sickness medical is included; or **GR-9951-4** if coverage is short-term and sickness medical is not included. Certain provisions of the policy are summarized in this folder. All benefits are subject to the policy, which alone constitutes the agreement under which payments are made.)

THE RENEWAL AND TERMINATION CONDITIONS

If short-term coverage is elected, the policy will terminate at 12:01 a.m. on the termination date shown in the policy application.

If renewable coverage is elected, the policy may be renewed with our consent for future terms of one year each by payment of the premium due at the rates in effect at the time of renewal. We may terminate the policy (subject to certain conditions in WV) at 12:01 a.m. on any renewal date by giving the plan sponsor 31 days (60 days in LA, NV, and WI) prior written notice.

An insured's coverage will end on the first of these to occur:

- When he or she is no longer an eligible person
- The date to which premium has been paid
- The termination date of the policy

Termination of coverage will not affect a claim which occurs before the coverage ends.

National Casualty's Accident-Sickness Insurance for Participants of Camps & Conferences

WHAT IS IT?

National's Special Risk Health Insurance is a highly practical insurance plan that provides greater peace-of-mind to individuals and groups engaged in a wide variety of camp and conference activities. It gives all eligible persons the security they need and deserve.

Individual names are not required as **100% of all eligible persons must be insured**. Each person is protected as well as the group itself— because all eligible persons are automatically covered.

Voluntary enrollment plans are not available.

WHAT ARE THE COVERED ACTIVITIES?

- Supervised camp or conference activities (excluding snow skiing) sponsored and/or endorsed by the plan sponsor; and
- Direct travel to and/or from such activities.

WHO IS COVERED? Eligible persons include either:

- Participants only; or
- Participants and staff.

WHAT IS THE DIFFERENCE BETWEEN OUR PRIMARY MEDICAL AND EXCESS MEDICAL PLANS?

- **Our Primary Plan** - is usually "first in line" to pay a claim. It pays covered expenses **regardless** of most other plans.

Other plans, however, may reduce their payments based on what we pay.

- **Our Excess Plan** - is usually "last in line" to pay a claim. **It does not pay covered expenses to the extent they are collectible under most other plans.** Thus, we need to know what others pay before we will pay. If there is no coverage, we will pay the same as primary.

Excess essentially "fills in" other plans' deductibles and coinsurance as well as pays remaining covered expenses after others have exhausted their benefits. If our excess plan has a deductible, it is "out-of-pocket" and cannot be satisfied by other plans.

Availability of primary and excess plans varies. Please refer to the Note at the bottom of the application.

WHAT ARE THE POLICY EXCLUSIONS AND LIMITATIONS?

We will not pay benefits for expenses incurred for: (1) the examination, prescription, purchase, or fitting of eye-glasses, contact lenses, or hearing aids; (2) treatment by a person employed or retained by the plan sponsor or its subsidiaries or affiliates and for which no charge is normally made; or (3) care or treatment by a person who ordinarily lives in the insured's home or is a parent, grandparent, spouse, brother, sister, or child of either the insured or the insured's spouse (if a NJ contract, care or treatment furnished by a member of the insured's immediate family). Nor will we pay benefits for loss or expenses resulting from: (4) intentional self-destruction or an attempt at it, or intentional self-inflicted injury (if MO contract, while sane); (5) war or an act of war, declared or undeclared; or (6) air travel unless the insured is a passenger on a regularly scheduled flight of a properly licensed commercial airline.
